A Chowns Agricultural Services >

In the upkeep of fields, you will find that our organisation stands out as a trusted partner for local smallholders with our available equestrian services. With a commitment to excellence and a comprehensive range of services, we have supported the equestrian pursuits of small-scale horse owners and businesses alike.

From expert specialist advice and assistance in paddock fencing to offering top-notch grassland and paddock maintenance solutions, our team of experienced professionals is dedicated to ensuring the well-being and success of each horse under your care in your livery services.

But thatâ??s not all â?? we have more to share about how we help local smallholders in their equestrian endeavours. So, join us as we unveil how our equestrian services contribute to the success and sustainability of the local equestrian community.

Paddock Fencing: Before the horse bolts

When it comes to ensuring the safety and security of your horses, choosing the right paddock fencing is crucial. At A Chowns Agricultural Services, we understand the importance of protecting your valuable equine companions. Thatâ??s why we offer a comprehensive equestrian paddock fencing service tailored to your needs.

Our fencing options include traditional wooden, wire mesh, electric, and more, allowing you to select the ideal solution for your horses. We use high-quality materials supplied locally by Dean Watkins Ltd or StowAG, and together with our expert workmanship, we ensure that your fence is durable and long-lasting. Our experienced team of fencers will install the fencing properly and securely, giving you peace of mind knowing that your horses are protected.

In addition to installation, we provide fence maintenance and repair services to keep your paddock fencing in excellent condition. We believe in delivering the highest quality service at a competitive price, so you can trust that you are getting the best value product for your investment.

With our knowledge and expertise in equestrian fencing, we can help you make informed decisions about the type of fencing that best suits your horsesâ?? needs. Donâ??t compromise on the safety of your horses â?? always choose A Chowns Agricultural Services for all your paddock fencing requirements.

Grassland And Paddock Maintenance: Pasture Management and Grasing Solutions

default watermark

A Chowns Agricultural Services offers comprehensive grassland and paddock maintenance solutions, ensuring effective pasture management and grazing solutions for equestrian enthusiasts. Our experienced team provides a wide range of high-quality services to meet all your paddock grass needs, allowing you to focus on other important aspects of your equestrian activities.

We offer topping, harrowing, rolling, and overseeding services to maintain your horseâ??s paddock grass. Our company has the expertise and equipment to remove unwanted vegetation efficiently and utilise modern tractors such as our Claas Axion 810 and machinery for mowing like our disc mower, ensuring that your paddock grass remains neat and well-managed.

In addition to basic paddock grass maintenance, we provide haymaking services, including mowing, raking, tedding, and baling with our Claas Quadrant Baler. Our bale wrapping service offers reliable and efficient protection for your harvested hay or straw, safeguarding it from the elements. We also offer fencing solutions to improve your land further.

Our harrowing service removes thatch and enhances seed-to-soil contact for improved overseeding or reseeding, while our rolling equipment helps level the ground, providing a smooth surface for your horses to roam.

Our comprehensive grassland and paddock maintenance services ensure that your pastures are well-managed and provide optimal grazing conditions for your horses. Trust A Chowns Agricultural Services to handle all your pasture management needs, giving you more time to do what matters.

Professionally maintained liveries: Hedges That Are Smart And Tidy

A Chowns Agricultural Services specialises in providing professionally maintained liveries with meticulously trimmed hedges that are smart and tidy. Our team employs advanced hedge trimming techniques to ensure precision and aesthetic appeal. We understand the importance of equestrian paddock aesthetics and the role that well-maintained hedges play in creating a visually pleasing environment.

In addition to enhancing the visual appeal of the liveries, our hedge trimming services also prioritise horse safety measures. We carefully trim the hedges to remove any overgrowth or protruding branches that may pose a risk to the horses. This ensures a secure and hazard-free environment for your beloved animals.

Moreover, our hedge planting benefits extend beyond the aesthetics and safety aspects. We recognise the significance of creating wildlife habitats within the paddocks. By strategically planting hedgerows, we contribute to the preservation of local wildlife and promote biodiversity, even giving you more jumps for when learning showjumping or cross-country riding.

At A Chowns Agricultural Services, we believe in seamlessly integrating functionality and beauty. Our professionally maintained liveries enhance the paddocksâ?? overall appearance and provide a safe and comfortable space for your horses. Trust us to create an environment that harmoniously balances equestrian paddock aesthetics, horse safety measures, and wildlife habitat creation.

Keeping the paddock clean: Not From The Horseâ??s Mouth

default watermark

Keeping the paddock clean is essential for maintaining a healthy and hygienic environment for your horses. we know horses produce a lot of manure, we help you achieve a tidier paddock by offering professional equestrian muck management services to ensure responsible and efficient handling of horse manure. We understand the challenges that muck can pose if not managed properly, regarding the environment and operational efficiency. Thatâ??s why we take a holistic approach to muck management.

Our muck management services include removal and transport, ensuring your waste manure is handled responsibly. We offer various options for the disposal of your muck, allowing you to choose the most suitable solution for your needs. We offer efficient processes and sustainable solutions that minimize the environmental impact. Here are three options for helping you manage your manure piles:

1. Manure disposal: eco-friendly options
   When retaining the muck on-site is impractical for composting or other uses, our service facilitates eco-friendly disposal. We efficiently transport and spread the muck across fields, playing a pivotal role in restoring and enhancing the nutrient balance of the local ecosystem.
2. Muck composting: sustainable solutions
   Our expertise in muck composting offers a sustainable method for horse manure management. We transform manure into a valuable resource by establishing a controlled decomposition environment. This process minimises waste and yields a nutrient-dense compost, ideal for soil enrichment.
3. Manure Repurposing Consultation: Catering to clients seeking alternative solutions
   We provide a specialised consulting service for manure repurposing. Our team advises on effective and innovative methods to repurpose manure, such as creating bioenergy or other environmentally beneficial products. This service is designed to help clients explore and implement alternative strategies beyond traditional removal or composting.

With a team of experienced staff members and a strong focus on customer satisfaction, A Chowns Agricultural Services ensures that every equestrian facility design and construction project is carried out to the highest standards. The company recognises the importance of having knowledgeable and skilled professionals who understand the unique requirements of equestrian facilities.

A Chowns Agricultural Services employs individuals with extensive experience in the equestrian industry, including experts in stable design, arena construction, and fencing installation. These staff members deeply understand the specific needs of horses and their owners, ensuring that every aspect of the project is tailored to meet those needs.

Customer satisfaction is a top priority for A Chowns Agricultural Services. The company strives to provide exceptional service from the initial consultation to the completion of the project. The experienced staff members work closely with clients to understand their vision and requirements, offering expert advice and guidance.

Q: What equestrian services do you offer?

A: We offer a range of equestrian services, such as paddock fencing, hay making, and hedge cutting, to help local smallholders with their equestrian needs. We donâ??t offer training, coaching, or equine product sales.

Q: How can your services help smallholders?

A: Our equestrian services are designed to support smallholders in maintaining their smallholding, ensuring they have everything they need to enjoy and excel in their equestrian pursuits.

Q: Are your equestrian services offered by professional riders?

A: Yes and No; our equestrian services are delivered by professional contractors with family members who are riders with a wealth of experience and expertise in various disciplines, ensuring that smallholders receive top-notch guidance and support.

###

Q: What level of rider do your services cater to?

A: We donâ??t offer riding services; we help you maintain your paddocks and smallholding premises. We can help direct you to riding services if you require as we have many contacts within the industry.

###

Q: Do you also provide equestrian services for business purposes?

default watermark

A: Yes, we offer equestrian services that cater to the needs of businesses that are running livery services and the individuals that have their land.

Q: Can I trust the quality of your equestrian services?

A: Absolutely. We are committed to delivering professional and trustworthy equestrian services, ensuring our clients receive the best support and guidance for their equestrian maintenance.

Q: What sets your equestrian services apart from the rest?

A: Our equestrian services stand out due to our genuine commitment to the enjoyment and success of our clients, along with our comprehensive and personalised approach, ensuring that every smallholder receives the support they need to keep their land in excellent shape.

Q: Where can I find more information about your equestrian services?

A: For more information about our equestrian services, you can visit our services pages on our website or connect with us on social media platforms such as Facebook.

Q: How can I avail of your equestrian services?

A: Availing our equestrian services is easy. Simply reach out to us via email or phone to discuss your specific needs, and we will assist you in establishing the most relevant and beneficial service options for you.
